NOTE #1: The statistical records in this document incorporate the entire history of the premier division since 1952, which became the “Open Division” in 2021.

NOTE #2: Apps. means Appearances.

NOTE #3: Byes are not counted in the win column. Also, Third Place (played from 1961-1973, 2017-2019) and Consolation Bracket (2017-2018) games are not counted in the win/loss columns.

NOTE #4: In 2024, first round “Pool Play” was introduced. Consequently, some teams incur more than one loss prior to elimination in a single year.

NOTE #5: The “Other Divisions” column is a cross-referencing tool indicating additional levels of playoff action. The code number in the column works like this: Beverly Hills (and four others) show “123456,” which means they also played in Divisions 1, 2, 3, 4, 5 and 6.

NOTE #6: Six schools are defunct (see “*”): Aviation (Redondo Beach, 1957-1982), Lasuen (San Pedro, 1962-1971), Miraleste (Rancho Palos Verdes, 1968-1991), Monte Vista (Whittier, 1964-1979), Rolling Hills (Rolling Hills Estates, 1964-1991) and Sierra (Whittier, 1957-1979).

Page 5 of 5

NOTE #7: “**” indicates one of the schools transferring to CIF-Central Section since 2018.

NOTE #8: Playoffs for all seven divisions were not held in 2020 due to the COVID-19 pandemic.

NOTE #9: A brief history of the structure of the tournament:

- 1952-1973: All schools played on one level.
- 1974: Play was divided between 4A (top level) and 3A.
- 1978: The 2A level was created.
- 1992: A fourth level was created and the divisional structure was given Roman numerals, with 4A renamed Division I and so on.
- 1994: Levels V and VI were created. Competition was arranged in large part geographically, with Division I carrying top tier schools from Los Angeles and Orange counties. The division structure generally reflected relative program strengths, from Division I on down.
- 2008: Level VII was created and a transition back to a true hierarchy of strength, regardless of geography, was completed.
- 2009: Roman numerals were replaced with regular numbers (1, 2, 3, etc.).
- 2017: A third place game was reintroduced (2017-2019) along with a consolation bracket (2017-2018), to seed schools advancing to the newly instituted SoCal Championships, contested between the Southern, San Diego and Los Angeles City Sections.
- 2021: The top regular-season Division 1 teams now entered an elite “Open Division” tournament – the premier playoffs. Teams ranked below them entered a “Division 1” tournament, even though it was second-level. Correspondingly, the playoff levels previously known as Division 3-7 were now Divisions 2-6.
- 2025: Playoffs contracted to six divisions only, dropping Division 6.
